READING PLAN

A Guided Journey Through God's Word

AT YOUR OWN PACE

YOUR GUIDE TO THE READING PLAN

Read at Your Own Pace

This plan is designed to help you journey through the entire Bible,
one reading session at a time. There are no assigned dates or deadlines.
Read consistently, check off each completed box, and continue where you left off.

THE FOUR READINGS IN EACH BOX

OT — Old Testament: a larger passage, progressing through the OT once.
PS — Psalms: a psalm or portion of a psalm, returning to Psalms as the plan continues.
PR — Proverbs: exactly one chapter per session; begin again after Proverbs 31.
NT — New Testament: a smaller passage, progressing through the NT once.

HOW TO READ NEW TESTAMENT (A) AND (B)

Some New Testament chapters are split into two sessions to balance the reading.
For example, “Matt 1 (A)” means the first portion of Matthew 1, while
“Matt 1 (B)” means the remaining portion of that same chapter.
Choose a natural paragraph or section break near the middle; continue from
that point in the next session. Do not skip or reread verses between A and B.

HOW TO USE THE PLAN

Follow the boxes from left to right, then move to the next row.
Read all four selections in a box and mark its checkbox when finished.
If you miss a day, simply resume with the next unchecked box.
A daily pace can finish the plan in about a year, but your pace is your own.

The goal is not to keep up with a calendar—
it is to keep growing in God’s Word.
